

SVGA FIELD DAY – MONDAY, JUNE 25, 2018- REGISTRATION 10:00-10:30 AM

Cost: \$35 members; \$50 non-members. Fees to be paid by cash/cheque at the start of the tour.

RSVP to: saskvegetable@agcouncil.ca

This year the SVGA is heading just north of Saskatoon to learn about how a group of Osler area farmers are working together to increase awareness and sales of the wide variety of food grown and produced in the region. **The Local Food Trail**- Osler project- is sponsored by the Saskatoon Food Council, RM of Corman Park and the Town of Osler. Map available at <http://saskatoonfood.ca/local-food-trail>

STOPS INCLUDE....

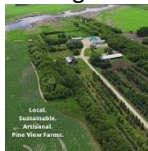

Meet at the **Farmyard Market**- (*produce, meat & baking*) 5 minutes north of Martensville on highway 12.

Petter Farms- (*produce*) 7 minutes from Martensville on road 393. Take highway 12, then take the Osler turn off- our farm is 2.5 km on the left side.

Pine View Farms – (*natural meats*) - take highway 12 past Martensville approximately 8 km until you see an antique/junk dealer on your left. (formerly Pine Point Service gas station). At that intersection, follow the turn out lane and turn right (east) off the highway onto twp road #394. Continue for about 5 km until you see the farm sign on your right (south) side of the road. **Lunch** will be served and we will hear **guest speaker**- Chris Buhler of Floating Gardens.

U of S Research Plots – (*tour*) - take the 14th Ave street exit in Saskatoon; please park along 14th Ave. Come and see test plots designed to evaluate the influence of nitrogen fertilizer & cover cropping on soil health and broccoli, carrot, and sweet corn production.
